#### urriculum itae

Degree	Year	Institution   University
Ecology	2015 – 2020	Dept. of Wildlife Ecology and Conservation School of Natural Resources and Environment University of Florida, USA
Wildlife Biology & Conservation	2010 – 2012	National Centre for Biological Sciences Tata Institute of Fundamental Research Bengaluru, India
Chemistry Botany Zoology	2006 – 2009	Christ University Bengaluru, India

Carnivore Ecology
 Conservation Biology
 Ecological Modelling
 Human–Wildlife Interactions
 Population Ecology and Dynamics
 Science Communication

focus • EXPERTISE

## wildlife **RESEARCH**

#### professional **APPOINTMENTS**

oct '21 – present	DST INSPIRE Campus Fellow National Centre for Biological Sciences–TIFR, Bengaluru	
sep '21 – present	Affiliate Scientist Wildlife Conservation Society–India, Bengaluru	
aug '15 – aug '20	Graduate Assistant Dept. Wildlife Ecology & Conservation, University of Florida	
jul '13 – sep '21	Research Associate Wildlife Conservation Society–India, Bengaluru	
dec '12 – jun '13	Junior Research Fellow Centre for Wildlife Studies, Bengaluru	
aug '09	<b>Research Assistant</b> 'Examining Tourism, Wildlife Reserves and Livelihoods in India', Columbia University	

#### research **PROJECTS**

dec '22 – present Principal Investigator Linking vocal repertoire and behavioural interactions for conserving the Asiatic wild dog (Cuon alpinus) in human-use landscapes of India may '19 – present Principal Investigator Ecological assessment and monitoring populations of the endangered Asiatic wild dog or 'dhole' Cuon alpinus in Kerala, India sep '18 – present **Principal Investigator** Wild Canids–India Project (<u>www.wildcanids.net</u>) nov '15 – mar '16 **Collaborator** Examining large carnivore occurrence, conflict and socio-cultural tolerance in central India Principal Investigator Habitat occupancy of Asiatic wild dogs in the Bandipur Tiger dec '11 – jun '12 Reserve landscape (MSc dissertation) jan – feb '10 Defries-Bajpai Fellow Forest degradation in Kanha Tiger Reserve, India

#### teaching **EXPERIENCE**

- jul '23; oct '22 Course Instructor– Science Communication for Graduate Students MSc Wildlife Biology and Conservation (NCBS–TIFR)
- aug '19 apr '20 Teaching Assistant– (1) Wildlife Issues in a Changing World; (2) Wildlife Population Ecology (University of Florida)
  - **dec '16** Workshop Instructor Science Communication for Graduate Students University of Florida
  - jan feb '15 Teaching Assistant Conservation Ecology and Practice MSc Wildlife Biology and Conservation (WCS–NCBS)
    - **nov '13** Workshop Instructor Monitoring Tigers and Prey: field and analytical techniques for wildlife managers. Host: Wildlife Conservation Society–India
  - apr may '13 Teaching Assistant Population Ecology, Dynamics, and Estimation MSc Wildlife Biology and Conservation (WCS–NCBS)
    - **may '09** Facilitator Conservation Leadership Workshop Host: Tiger Watch, Rajasthan, India

#### science • SOCIETY

- jan '23 Invited talk, India Science Fest, Hyderabad. Title: The Jungle Book revisited
- sep '22 Guest talk, Macalester College, USA. Title: Envisioning carnivore conservation at nationwide scales
- jan '22 Guest talk, IISER Kolkata. Title: Conserving dholes in a developing economy; lessons from India
- sep '21 Plenary speaker, SCCS Bengaluru. Title: The Dog and the Funny Bone
- oct '20 OutsideIn Ecology, NCBS, Bengaluru. Title: Fantastic Beasts and How to Save Them
- feb '20 University of Florida International Centre. Title: Cartoons for Conservation
- oct '18 Wildlife Conservation Network Expo, San Francisco, USA. Title: Saving the Underdogs
- nov '16 'Suds and Science', Florida. Title: Conserving leopards in human-use landscapes of India
- dec '14 'Art and Elephants', Bengaluru. Title: Elephant in the Room
- mar '14 Workshop on "Using art and humor to communicate science". Host: Educator's Collective
- dec '13 350.org. Title: Using Art and 'Art'ivism to communicate science and conservation issues

### conservation **OUTREACH**

#### art • AWARENESS

oct '18 – present	Web content creator and curator. Wild Canids–India Project
jan '16 – dec '19	Illustrator. The Florida Master Naturalist Program (UF-IFAS) newsletters
jun '17	Illustrator. Content on human-leopard interactions for training/awareness workshops in Uttarakhand, India. Collaborator: Titli Foundation and WCS-India
may '16	Illustrator. Awareness material to prevent human-tiger conflict in central India. Collaborator: Last Wilderness Foundation, India
dec '15	Contributing Artist. Art for Hornbills: a fundraiser event for the Hornbill Nest Adoption Program. Collaborator: Nature Conservation Foundation, India
nov '15	Illustrator. Children's book 'Our Tigers Return: The Story of Panna Tiger Reserve'. Publisher: Last Wilderness Foundation, India
jan '15	Designed outreach material for sustainable harvest and conservation of squaretail grouper fish in Lakshadweep archipelago, India. Collaborator: Nature Conservation Foundation, India
jan '14 – oct '14	Communication and outreach head, social media manager. Wildlife Conservation Society–India
jan '14	Created Pocket Science india (PSi) – an initiative to communicate wildlife science through art, for promoting conservation awareness. In collaboration with conservation organizations, these artworks have been translated into regional languages, used for fund-raising, nature education in villages around forests and in Forest Department visitor information centres
dec '13	Illustrator. Panels on Hornbill Conservation, on display at the Forest Department Nature Interpretation Centre, Pakke Tiger Reserve (India). Collaborator: Nature Conservation Foundation, India
oct '13	Illustrator. 'Falcon Files', part of the Amur Falcon Conservation Initiative. Collaborator: Nagaland Wildlife and Biodiversity Conservation Trust, India
sep '09	Chief Illustrator. 'Under the Canopy', published by Dusty-foot productions and funded by the IUCN
